FIRE! An early resident of Olde Torbay recalls an incident when her husband wrapped the ashes in newspaper and put them beside the garage unaware of the fact that the embers were still hot.

He was most surprised later at the commotion in his driveway when neighbours then the fire engine appeared. There was extensive damage to the garage.

The nearest fire station was then, as it is now, in Rothesay Bay. But it was a volunteer fire brigade. People in Browns Bay would hear the loud siren alerting the firemen so you always knew when there was a fire.

Our photo is of a vintage fire engine owned by MOTAT. It was on display at the Vaughan Homestead on March 7 along with tractors.

Our "Country Comes to the City" day was a great success. Children enjoyed the close proximity of animals and pony

rides. MOTAT also organised sack races and washing day activities. There were other games and a good response to our colouring competition. Thanks to the local schools for promoting this.

Special thanks to all those who helped us with this event, and to the East Coast Bays Community Project who initiated the function. We plan to organise a similar day next year.

Our AGM is on Tuesday, April 13 at 7.30pm in the Functions Room at the Torbay Community Hall behind the Torbay shops. The speakers will be from MOTAT. MOTAT is keen to help small museums and groups like us so hear how MOTAT

will work with us as we want the history of this area to come alive.

The Vaughan Homestead will be open to the public on Easter Sunday, then the first and third Sundays of the month from 2.30pm to 5pm.

Love Your Smile?

You don't have to be born with a beautiful smile to have one!

Are you tired of gaps, yellow or twisted teeth? Tired of those stained ones or those noticeable black fillings?

Let's face it. A great smile helps you feel better about yourself. You look younger. You feel younger. It helps socially and in your career. Often we get used to the way it looks, but other people notice! Just like we notice them! The wild thing is that most people haven't a clue just how much is possible. With modern dentistry, an artistic dentist can create almost any look you want. Sometimes for a fraction of the cost you'd expect!

Torbay Dental has established itself as one of the top cosmetic surgeries in Auckland, servicing clients from as far away as Australia and USA. For affordable options, great advice and value call today for a complimentary cosmetic evaluation.

Phone Torbay Dental now at 473 1400 for a great smile!

Torbay Garden Club

Our well attended AGM saw new president Dot Harper appointed, along with new secretary Mary Brownhill. We wish them well in their new positions.

Those committee members who were willing to stand again were all re-appointed, while Trish Pitcher is taking over the kitchen duties. Thank you Trish. We welcome you onto the committee.

Unfortunately we have no one to take over from Pauline as the treasurer. She needs a rest, having taken on one job after another to help us out whenever we are in difficulty. Thank you many times over Pauline. Members, please give it a thought.

We had a very interesting and quite humorous talk by Merle Donnel on her time spent in the Chatham Islands, originally going there as a teacher before two follow-up visits.

Two long-standing members who have been great assets to the club were made honorary members — Joyce Young, one of our ex-presidents, and Jessie Fooks who has been a very keen member for many years and who still enters and often wins the monthly competitions.

There are still a few seats on the four-day trip to Hamilton (April 28 to May 1), which includes trips to Raglan, Cambridge and Matamata. Phone Beryl on 473 7132 for more information.

May the lovely sunny days continue for a while yet. Good gardening while it's here.

ECB Lions Club

I expect you are pleased that the weather in February is over. Auckland got off lightly, but areas in the lower North Island were not so lucky. Our club donated \$500 towards the flood relief fund. Also we made donations to Alzheimers, Hearing Dogs and Muscular Dystrophy.

Our Barbeque Caravan was at Uncle Eric's picnic on March 10. The weather was gorgeous and it was a great success (as always).

The speaker at our February dinner was Joe Davis from Coastguard North Shore (Browns Bay). This is a wonderful organisation run by dedicated volunteers.

Once again I ask you to seriously think about becoming a member. We need you!

Please phone Miriam on 488 0266.

Dear Members,

The social was held on Saturday, March 13, with entertainment by Les Femmes Danseuses, dancing for fitness and fun, followed by afternoon tea. Our next social is on April 10.

This month's verse:

Just a line to say I'm living, that I'm not among the dead. Though I'm getting more forgetful and mixed up in my head. I've got used to my arthritis, to my dentures I'm resigned. I can manage my bi-focals but, oh God, I miss my mind.

Sometimes I can't remember when I'm standing on the stair, If I'm going up for something or have just come down from there.

To be continued ...

Mary Tolson, Secretary

With the approach of winter our sportsmen and women are well into training for their respective codes. Unfortunately this is also known as the "injury season", with torn muscles being one of the most common sports injuries. These can usually be prevented if you remember those all-important warm-ups and stretches. Please call into the clinic to collect free brochures on injury prevention and treatment.

If you do happen to sustain an injury, remember the benefit of early intervention. Apply **Rest, Ice, Compression and Elevation (R.I.C.E.)** and see a physiotherapist as soon as possible. If you come directly to our sports clinic we will process the relevant ACC claim and, where necessary, X-Rays and referrals. We are open six days a week, including four late nights, and do house calls for acute injuries.

We aim to keep you moving
