Tommy Vaughan used to have many visitors to his home on Long Bay. During the Second World War some of his visitors were battle-worn American soldiers. They stayed with him for "rest and recreation".

Tommy and his cook, Peter Tasker, looked after them with great hospitality and understanding. Tommy went to America to visit some of them after the war. There were American nurses who also visited Long Bay for a barbecue. One Torbay resident remembers that they wore beautiful ballerina bathing suits.

If you have any wartime memories of Torbay we would like to hear of them.

Our mid-year event for the Society falls on July 4. So we thought how better to commemorate the day than

with an American theme to remember Torbay's association with the Americans, with Tommy's contribution to their well-being?

"Stars and Stripes comes to the Vaughan Homestead" will be held on Sunday, July 4, 11.30am to 2.30pm at the Homestead — \$5 charge.

Entertainment and food will reflect the theme. If you want to attend please phone Cathy on 473 9371.

Memories are precious and essential for the preservation of our history.

Please contact us if you have any stories or photos of past Torbay.

We are taking photos of houses that are to be demolished, removed or renovated. If this is happening to your dwelling phone or fax Bill Ellis on 473 6482 who will take the photos to add to the collection.

*This house stood where MERC is now located at the southern end of Long Bay.*

## Love Your Smile?

You don't have to be born with a beautiful smile to have one!

Are you tired of gaps, yellow or twisted teeth? Tired of those stained ones or those noticeable black fillings?

Let's face it. A great smile helps you feel better about yourself. You look younger. You feel younger. It helps socially and in your career. Often we get used to the way it looks, but other people notice! Just like we notice them! The wild thing is that most people haven't a clue just how much is possible. With modern dentistry, an artistic dentist can create almost any look you want. Sometimes for a fraction of the cost you'd expect!

Torbay Dental has established itself as one of the top cosmetic surgeries in Auckland, servicing clients from as far away as Australia and USA. For affordable options, great advice and value call today for a complimentary cosmetic evaluation.

A well-attended meeting was held on May 5 at which the display of blooms for competition was a real delight. Please keep this up and I hope others who have not yet done so will enter as well.

Our very interesting speaker was Jan Velvin of McKechnie Nurseries who talked and demonstrated on propagation of plants, letting the members into some of the secret methods used by professionals.

The four-day trip based in Hamilton was very successful and much enjoyed by all who went.

July 7 is our next trip. As this is our birthday month, we will be going out for a Birthday Lunch — just where is one of Beryl's mysteries.

A member of the Forest & Bird Society is due to visit us at the next meeting to collect the donation, raised by the box which is passed around at each meeting.

New members are always welcome. If you are not sure and would like to see what we do, come along as a visitor to a meeting. These are held on the first Wednesday of the month.

Dear Members,  
Here we are with news of our club's happenings.  
The AGM was held on May 8, the same day as the social. The entertainment was The Ladies Choir Group, followed by afternoon tea. It was a most enjoyable day.

A warm welcome is extended to our new committee member Patsy Barry.  
Don't forget our activities include bus trips. Housie is played every Tuesday, starting at 10.45am, bowls on Saturdays starting at 10.45am, and our socials are held every second Saturday in the month, starting at 1.30pm.

Please advise Zena Buchanan on 479 5900 if anyone is sick so she can send a card. All new members from age 55 and up are welcome.  
The mid-year dinner is to be held on July 29.

**This month's verse (Part 1):**  
When things go wrong as they sometimes will,  
When the road you're trudging seems all uphill,  
When the funds are low and the debts are high,  
When you want to smile, but you have to sigh,  
When care is pressing you down a bit,  
Rest if you must — but don't you quit.

**Keep smiling**

## 'Sea Around Us' winter lectures celebrates 10 years of lectures

By public demand, the Sir Peter Blake Marine Education and Recreation Centre (MERC) has arranged another fascinating series of 10 winter lectures on the "Sea Around Us" theme.

These will be held on consecutive Friday

nights starting at 7.30pm on June 4 at the organisation's heated venue at 1045 Beach Rd, Long Bay.

All of the well illustrated lectures are by experts in their fields. A donation of \$5 helps to cover some costs.

### The programme is:

**June 4:** Borobudur Ship Expedition — A unique voyage across the Indian Ocean in an 8th Century replica ship (Paul Bayly, expedition member, Lt Col NZ Territorials, ex-East Timor)

**June 11:** The Coastal Defences of Auckland (Dr David Veart, archaeologist Dept of Conservation)

**June 18:** The Giant Squid (Dr Steve O'Shea, Earth & Sciences Research Institute, Auckland University of Technology)

**June 25:** Don't Rock the Boat! (Capt Ian Bradley, retired naval officer, now Dept of Conservation, MERC trustee, ARC councillor for North Shore)

**July 2:** Sharks: Sensory mechanisms for hunting, mating and navigation (Prof John Montgomery, Leigh Marine Laboratory & School of Biological Sciences, University of Auckland)

## Long Bay College News

Long Bay is in the midst of a very busy term, once again.

New deputy principal Russell Brooke will arrive after Queen's Birthday. He has a wide range of interests and areas of expertise, and the college looks forward to his enthusiasm and input.

The art/technology block is almost complete, and students and staff are moving in as each area is finished. The block itself contains the latest equipment and facilities and this can only inspire creativity and dynamic learning.

A number of students have been particularly successful in their chosen sports: Jack Beguely (Yr 11) was selected for the National U15 soccer team that travelled to Rome and then Kuala Lumpur later in the year; Leilani van Dieren (Yr 11) was selected to travel to Vancouver, Canada, to represent New Zealand in the Millennium Cup Rhythmic Gymnastics Championships; and Blair McLay will be

representing New Zealand in sailing in Europe later this year.

Year 13 biology students recently spent some time at Goat Island for an NCEA assessment. Good weather allowed them plenty of time to study inter-tidal zones and marine life.

Time was also spent at the marine laboratory studying whelk behaviour.
