**Love Your Smile?**

You don't have to be born with a beautiful smile to have one!

Are you tired of gaps, yellow or twisted teeth? Tired of those stained ones or those noticeable black fillings?

Let's face it. A great smile helps you feel better about yourself. You look younger. You feel younger. It helps socially and in your career. Often we get used to the way it looks, but other people notice! Just like we notice them! The wild thing is that most people haven't a clue just how much is possible. With modern dentistry, an artistic dentist can create almost any look you want. Sometimes for a fraction of the cost you'd expect!

Torbay Dental has established itself as one of the top cosmetic surgeries in Auckland, servicing clients from as far away as Australia and USA. For affordable options, great advice and value call today for a complimentary cosmetic evaluation.

Some more recollections from the late Mrs Alice Olsson: "My two brothers, myself and two friends, with our mothers, were picnicking below the Homestead — must have been about 1923-24 Christmas holidays.

The creek and the flat area around the dairy and the beach were our playground. Mr Vaughan, who from this distance of time seems to be rather like the illustrations of 'Dad' in Steele Rudd's books, full white beard and rather stocky, was preparing to mount his horse.

We kids were playing about and he suggested we all go and hide, because his horse got very nervous when he saw anybody watching him while being mounted.

So we all hid around the corner of the dairy, but peeped around to see him mount. And what would the horse do? Nothing. He just

stood patiently while Mr Vaughan who, by this time, was quite an aged man, climbed with difficulty into the saddle.

It was some years before we worked out that the horse was not nervous — Mr Vaughan didn't like being seen having trouble mounting a horse."

Work is progressing on various projects by the Historical Society. One of these is the outhouse commonly called "The Gumstore". The inside is being made ready for use.

We will be using it to display larger items and farming memorabilia which cannot be displayed in the museum. We are looking for a few suitable items and hope that some of our readers will be able to help us here.

Please phone us if you can help in any other way.

## Torbay Garden Club

What a lovely well attended meeting we had in August. Congratulations to all who brought camellias to show for "The Flower of the Month" — a really beautiful display of excellent blooms as were the entries in all other sections.

Instead of a speaker, Pauline Ockleton, Jean Adkins and troupe entertained us with a singing, reading and piano playing pot-pourri called "Come into the garden again Maud" which was much appreciated by all.

The next meeting on September 1 included our annual Spring Show, open to all, members and non-members.

Trips coming up over the next three months or so include one to Puhoi and Orewa on September 29, and one to Ngatea on October 27 to see the water gardens which, I hear, are outstanding and consist of about five acres of beautiful gardens. Don't forget the November 3 meeting is the Rose Show and normal exhibits — apart from showing your roses. There is also the art show, so get painting, drawing or whatever your bent is of "The Rose".

## Long Bay College News

The College has recently finished a number of very successful performances of the play *How the West was Warped*. The commitment of energy, talent and time by the cast and crew of more than 85 students and a large number of staff meant the production was of an exceptionally high standard.

This popular musical allowed our students' considerable acting, singing and musical talents to be displayed. With a full house for almost every show and two matinees for Long Bay Primary and

Northcross Intermediate Schools, the students found the schedule exhausting but enjoyable.

The enrolment process for 2005 began with a successful open evening and information meeting. Several hundred people took advantage of the opportunity to meet students and staff, visit new facilities and get first hand knowledge of a range of programmes. Enrolment interviews will need to be made urgently as places are filling fast.

Senior students are gearing up for their last few weeks at school. The final school exams take place in a few days' time, and that leaves only a month of school next term before external NCEA examinations are held.

### This month's verse:

Success is failure turned inside out  
The silver tint of the clouds of doubt,  
And you never can tell how close you are  
It may be near when it seems afar,  
So stick to the fight when you're hardest hit  
It's when things seem worst that you musn't quit.
