The speaker for the East Coast Bays Friends of the Library last month was Alf Fisher speaking about Torbay in the 1950s when he first came to live here.

He recalled memories of Mr and Mrs Goldsmith who lived in Glenvar Road. Their house was the second oldest in Torbay (the oldest was the Vaughan Homestead).

Stanley Goldsmith built the house near Beach Road himself. He was an artist and an archaeologist, and had been to Pompeii. Mrs Goldsmith was a silversmith, and one of her works was a rose bowl given to the Garden Society. Stanley died very young, and Mrs Goldsmith became friends with Mr Matthews, a blind person who lived on Beach Road, and with Tommy Vaughan.

The three of them used to

meet together to read the newspaper each day. Mr Matthews used to go fishing at the point at Long Bay.

The Goldsmith house was later owned by Mr and Mrs Carlyle. Mr Carlyle, who was very ill for some years, had been a photographer and took many photos of the area, a few of which we have copies. The photo shows the house under renovation by the present owners.

• Do you have an old wooden dog kennel that would be of a vintage type? Or do you have an old counter or something that would be suitable for putting in the "Gumstore".

The Homestead is still open on the first and third Sunday afternoons of the month. Any enquiries about openings, hireage or the Historical Society to the above phone numbers.

Love Your Smile?

You don't have to be born with a beautiful smile to have one!

Are you tired of gaps, yellow or twisted teeth? Tired of those stained ones or those noticeable black fillings?

Let's face it. A great smile helps you feel better about yourself. You look younger. You feel younger. It helps socially and in your career. Often we get used to the way it looks, but other people notice! Just like we notice them! The wild thing is that most people haven't a clue just how much is possible. With modern dentistry, an artistic dentist can create almost any look you want. Sometimes for a fraction of the cost you'd expect!

Torbay Dental has established itself as one of the top cosmetic surgeries in Auckland, servicing clients from as far away as Australia and USA. For affordable options, great advice and value call today for a complimentary cosmetic evaluation.

Phone Torbay Dental now at 473 1400 for a great smile!

The social was held on September 11, with entertainment by the New Ladies Florian Choir, followed by afternoon tea. Our next social is on October 9, featuring Steve Dale on keyboards.

Don't forget our activities include bus trips. Housie is played every Tuesday, starting at 10.45am, bowls on Saturdays starting at 10.45am, and our socials are held every second Saturday in the month, starting at 1.30pm.

New members are welcome from 55 years up.

Our Christmas luncheon will be held on November 25. Please contact Joyce Bell about this.

This month's verse:

Hello and how are you
May not sound very much
But it means a lot to those out of touch
A smile, a wave, a word of cheer
A hand to touch, a voice to hear
You hold these gifts to give away
To make another person's day.

Torbay Garden Club

What a lovely well attended meeting we had in August. Congratulations to all who brought camellias to show for "The Flower of the Month". They made a really beautiful display of excellent blooms as were the entries in all other sections.

Instead of a speaker, Pauline Ockleton, Jean Adkins and troupe entertained us with a singing, reading and piano playing pot-pourri called "Come into the garden again Maud", which was much appreciated by all.

The next meeting on September 1 included our annual Spring Show, open to all, members and non-members.

Trips coming up over the next three months or so included one to Puhoi and Orewa on September 29, and one to Ngatea on October 27 to see the water gardens which, I hear, are outstanding and consist of about five acres of beautiful gardens. Don't forget the November 3 meeting is the Rose Show and normal exhibits — apart from showing your roses. There is also the art show, so get painting, drawing or whatever your bent is of "The Rose".

Torbay 60s Up

The Torbay 60s Up have had two enjoyable trips recently. The first took us to the Britomart transport terminal which has lovely pungas growing in the platform area.

We went by train to Swanson and had dinner at the local RSA. We caught the train back to Auckland and then a bus to Torbay.

Our other trip was to Henderson to attend a music hall concert where we were entertained by a very good musical group. Audience enjoyment was prompted by the Master of Ceremonies.
